

Upton Magna Parish Council

Mission Statement

It is the mission of this Parish Council to represent the aspirations, needs and concerns of its parishioners. To debate and democratically, publically and transparently determine the majority opinion of the community and convey that result to all who might wish to affect our community.

The Parish Council Objectives are:-

- To ensure that the community receives the efficient and cost effective services requested by its parishioners.
- To Maintain strict budgetary controls to ensure that its precept is spent wisely.
- To provide adequate insurance cover.
- To provide and maintain adequate street lighting
- To work closely with the planning authorities to monitor potential development and to inform and involve residents in this process.
- To endeavour to obtain funds /grants from outside bodies for the benefit of the community.
- To regularly report on the condition and or operation of the infrastructure of the Parish and its basic services e.g. roads, water, sewage, rubbish and recycling services.
- To monitor compliance with the legal obligations of others within the Parish e.g. footpath and bridleway regulations.
- To liaise with other bodies that might have an impact on the Parish e.g. The Police, Emergency services, The Pericial Church Council, The Village Hall Committee, The School, The Canal Restoration Society, Local Landowners, RAF Shawbury.
- To proactively canvass local opinion and convey that opinion to all who might seek to influence the future of the community.
- To proactively canvass opinion as to the performance of the Parish Council.
