

UPTON MAGNA PARISH COUNCIL

Minutes of the meeting held at Upton Magna Village Hall on the 14th of February 2019.

Before the meeting commenced, the Chairman opened the floor to Mr. Ian Walshaw, Highways Manager for Shropshire Council, who had kindly attended the meeting to provide information regarding roads in the parish.

- Gritting: Shropshire Council carry out gritting on two levels, primary and secondary. The primary network consists of A and B roads and important strategic links and this does not include Upton Magna as it does not meet the criteria that is stipulated by Shropshire Council. Upton Magna does, however, meet the criteria for the secondary network but is currently not on the list. The list will be reviewed in the summer and Upton Magna will be added. Gritting will take place when the temperature is below 0° for more than 24 hours or if snow is forecast, but only after the roads on the primary network have been gritted.
- Surface of Pelham road from Berwick Wharf to the entrance to Frogmore House: The smooth surface seems to encourage black ice and there have been several accidents on a tight bend in the road. In one incident, a car left the road and landed in the canal bed. The Parish Council would like the road to be surface dressed. Mr. Walshaw agreed to inspect the road.
- Houghton Crossroads: Mr. Walshaw agreed to visit the crossroads with Councillor Picton so that she may outline her concerns and those of parishioners.
- Village name sign: At the Parish Council's request, Mr. Walshaw is arranging to replace the old sign and relocate it to beyond the entrance to de Quincey Fields.
